occupied by troops of the 6th Gds AAA Div

Comment: Component units of the 8th Gds Mecz Div
(Including the 19th Cds Mecz Reft), are in the two
barracks. The statement that the
troops had gone to Ohrdruf is not given credence as
all component units of the First Mecz Army held their
1949 summer and fall exercises in the koenigsbruck area.
All indications are that the units of this army will
practice in the same area in 1950.
